

Frequency tables for the YouTube screencast

Below is a frequency table that shows the number of days absent in a 3 month period in a small company. 12 people had no days off, and 14 people had one day off during the monitoring period.

Days absent (x)	0	1	2	3	4	5	6	totals
No of staff (f)	12	14	19	13	9	7	4	
X x F								
Cum. Freq								

Below is a frequency table that records the height in mm of cress plants grown on blotting paper.

Height (mm)	$10 < X \leq 15$	$10 < X \leq 15$	$10 < X \leq 15$	$10 < X \leq 15$
Frequency (F)	7	12	15	3
Mid points (X)				
F x X
